

Give the gift of safety

Some decisions are simple. You're with people you care about and they care about you. You want them to have a good, safe time. You also want them to make it home alive.

Give them a gift that doesn't cost any more than your commitment to be a 100% sober driver for one night. It's a gift that they'll value for the rest of their lives.

INSTRUCTIONS

Attach BF Sober Ride Card Hold Part B over this section, tape or staple flaps 1, 2, 3 three. Fill with Sober Ride Gift Cards. Save Lives.

Bright Future
Sober Ride Card Holder
PART A

Don't forget to contact the Community Outreach Unit of the UConn Police Department for more information and to schedule Bright Future Alcohol and Other Drug education events!

Bright Future™ is a public safety campaign of the University of Connecticut Police Department
